# muni memo

Muni is San Francisco's best travel bargain.

Make it a real sociable daily experience; because the Muni is everyone's transit system. Muni is more than an "acceptable alternative". It's the only way to go in San Francisco.

If things are not quite right at home...or at Muni...at school, or in the office, don't take it out on your driver or your fellow passengers.

The Municipal Railway is undertaking a two-part modernization program costing approximately $95,500,000. This will renew the fleet and provide new shops, garages, and streetcar tracks. But all this won't work right unless we can make Muni a happy people mover.

Muni management and the Transport Workers Union, Local 250-A, are cooperating in an endeavor to improve transit service in San Francisco.

Read about it in "Muni Memo", which will appear from time to time to provide helpful information to make service more efficient and convenient. Please read Muni Memo and pass it on to your friends.

*Downtown Area — that section bounded by Embarcadero, Folsom, 11th, Van Ness and Filbert.

## DO UNTO OTHERS . . .

- Move to rear of coach. Leave by rear door. It's faster and safer.
- Exact Fare — have exact fare ready. Operators not permitted to make change. Public cooperation has made this robbery prevention campaign successful.
- Stand back of safety line by operator. A clear view for driver is necessary for your safety.
- No smoking — it's nice to breathe clean air. Be considerate of your fellow passengers.
- Radios silent — you might not like programs your neighbors select, so don't impose yours on them.
- Don't litter — take your papers, wrappings, etc., with you. These are your coaches. Help us keep them clean.
- Eating and drinking — nothing doing. It ends up on somebody's clothing. And you can slip and fall on the leavings.

(Muni rules have a simple purpose — health, safety, comfort. They reflect the wishes of the people we serve.)

## MUNI'S PUBLIC SERVICE COMMITTEE

Samuel Walker
Chairman
Ocean Division

Isaac Duncan
Secretary
Presidio Division

This committee is seeking your help in making Muni serve the City better.

It is sponsored jointly by Muni management and the Transport Workers Union, Local 250-A. Its members are available to speak to school and adult groups about Muni. Constructive suggestions are welcome.

Vandalism is one of the committee's main targets. Senseless and vicious as it is, vandalism to Muni vehicles costs you more than $50,000 a year. Why? Help us with the answers.

If you would like to meet with committee representatives, please call the Public Service Director, 558-4987 — or write him at 287 City Hall, San Francisco 94102.

## THE "RUSH HOURS"

Avoid rush hours (7 to 9 a.m. and 4 to 6 p.m.) if you can. That is when working people must ride Muni. Off-peak riding and shopping is more comfortable and convenient. Check night shopping hours — and also investigate Muni's popular shoppers' shuttles, which operate during midday on weekdays.

Call 558-4111 for details and other information.
